PROJECT : SR99/US341 Sterling Industrial Park Water Main Extension

ADDENDUM: Two (2)

SR 99/ US341 Sterling Industrial Park Water Main Extension is hereby amended as follows:

- 1) An exception to BGJWSC standards will be allowed for this referenced project:
 - a. American Flow Control Series 2500 Resilient Wedge Gate Valves 4”-12” be allowed for use.

- 2) Clarification on Bid Form Section 00410 Bid Form, Page BID FORM | 1 as it relates to Division Base Bid Items:
 - a. BGJWSC may choose to award Divisions of project independently or in an order that is not sequential due to overall project timelines or budget limitations. For example, Division III award could occur before Division I or another Division could be eliminated altogether.
 - b. Provide pricing on Bid Form, under each division, with a combined total on page BID FORM |9; final determination of award by specific division and timeline is solely at the discretion of BGJWSC.

All applicants under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum in original only.

**ACKNOWLEDGEMENT
ADDENDUM: TWO (2)**
