

Facility Construction Project Photos – April 2022

#704 CANAL ROAD TO GLYNCO 12-INCH WATER MAIN (95% - TBD)

1. West bound view of anticipated 12-inch waterline rehab location along Glynco Parkway from the FLETC back service/maintenance gate location to FLETC Service entrance at Vogel Road.
2. Caleb Lovell (WDD Crew Leader) and crew members installing silt fencing and staging piping along the project route.
3. Alvin Hall (WDD Supervisor) and Steve West (WDD Crew Leader) unloading piping for staging along the project route to efficiently expedite the installation process.
