

## Facility Construction Project Photos – August 2022

#2016 ACRO AREA WATER AND SEWER EXTENSION (13% - NOVEMBER 2022)

1. Sidewalk demolition and removal underway along Cochran Avenue in preparation for proposed watermain installation.
2. Private utility (underground gas and overhead utilities) and existing fencing conflict with the proposed watermain near 3781 Cochran Avenue.
3. EOR is creating plats to obtain easements from property owners for sewer main relocation to reduce disturbance to existing roadways.
