

Facility Construction Project Photos – December 2024

1. Northbound view of the ongoing construction activities at the project site.
2. Jacqui Smith (T&H Designer) inspecting the baffle wall construction inside the 250k GST.
3. Southbound view of the high-service pump building from the top of the 250K GST.
4. View of steel reinforcement tie-ins for bond beam construction for the high-service pump building.
5. View of the construction team members inspecting the newly installed well pump assembly.
6. View ongoing excavation activities in preparation for the 12-inch yard piping installation.
