

Brunswick-Glynn Joint Water and Sewer Commission

The Brunswick-Glynn Joint Water and Sewer Commission (“JWSC”) intends to hold public meetings on June 8, 2022 at 6 p.m. in room 108 of the Glynn County Casino at 550 Beachview Drive on St. Simons Island, and on June 9, 2022 at 6 p.m. in the Howard Coffin Park auditorium at 1402 Sonny Miller Way in Brunswick where it will consider a potential rate adjustment that would go into effect starting July 1, 2022. As required by Section 1-2 of Part I of House Bill 1271 amending Section 7 of the enabling legislation creating the JWSC approved April 19, 2006 (Ga. L. 2006, p. 3661), the JWSC is providing the following information as part of its notice of the public hearings:

- 1) A financial justification for the proposed rate adjustment,
- 2) A five-year projection of future operating revenue and expenses with and without such proposed rate adjustment, and
- 3) A history of the dates and amounts of any changes in customer rates, fees, tolls, or charges previously approved by the JWSC during the five-year period immediately preceding the effective date of the proposed adjustment.

1) Financial Justification

The rate adjustment being considered for Fiscal Year (FY) 2023, which begins July 1, 2022 and ends June 30, 2023, is necessary to:

- A. Continue to support infrastructure investment for the rehabilitation and replacement of existing water and sewer assets with rapidly increasing construction costs.
- B. Fund the increased annual cost requirements of chemicals, fuel, and other consumables used for the effective treatment and conveyance of water and wastewater to meet federal and state regulatory standards.
- C. Fund the purchase of necessary equipment to improve the operations and maintenance of the water and sewer systems.
