Project Information	
Purpose:	
Project Name:	
Project Location:	
Start Date:	Expected End Date:

I, the undersigned, am the authorized representative of the above named company. I understand that my company and I are responsible to ensure that any persons using any fire hydrant employ only the proper tools, including the proper hydrant wrench, and techniques to ensure that no damage occurs to any fire hydrant and that there is no risk of backflow or backsiphonage. All such persons shall be trained in the proper techniques of fire hydrant use. The hydrant valve should be completely open and another valve in line used to turn water on and off and otherwise control flow. I understand that my company is responsible for reimbursing the BGJWSC for any repairs or replacement costs that may be incurred due to failure to use reasonable care or for altering the equipment in any way. I agree that my company will only use water in accordance with the information provided on this application and in compliance with all applicable regulations and laws. I understand that any deposit that has been paid will be refunded in full after return of all equipment provided to my company by the BGJWSC. By providing payment for the \$55 application fee and **\$2,200 refundable non-interest-bearing deposit** required for the hydrant meter and backflow preventer rental, I understand that I will be billed monthly for a hydrant monthly rental fee of **\$45**, water service administration fee, water debt recovery fee and usage charges based on current rates. Hydrant meter readings are to be obtained remotely by the BGJWSC. Contact will be made if the device fails to transmit.

*By signing below, I affirm that all information provided on this form is true and correct to the best of my knowledge and belief.*
