

Facility Construction Project Photos – October 2024

#2106 DUNBAR CREEK WPCF REHAB (IN PROGRESS - TBD)

1. **Post-Hurricane Helene Inspection: A large oak tree fell at the back entrance, and staff used heavy equipment to remove it. And Post Hurricane Milton inspection – no site issues or damage to report.**
2. **View of the large oak tree that fell at the back entrance removed from blocking service access to the plant.**
3. **View of the newly installed Scum Pump Station next to the new clarifier splitter box in the background.**
