

Facility Construction Project Photos – May 2025

#2105 PUMPSTATION 4044 REHAB (IN PROGRESS - TBD)

Facility Construction Project Photos – May 2025

1. James Merritt (PopCo Superintendent) and JWSC Wastewater Operator crew members are checking on the electrical control panels and outlet functionality.
2. PopCo Crew members are preparing for concrete driveway installation.
3. Final pavement restoration is pending contractor scheduling and coordination with the county.
4. The landscape irrigation system was repaired, and heads were adjusted.
