JWSC PROJECT NO. 2001**

I. Intent and Purpose

The Brunswick-Glynn Joint Water and Sewer Commission (JWSC) is in the process of evaluating downstream conveyance systems improvements required to address various I/I related issues and capacity-related needs throughout the JWSC service area. This project contains work elements associated with sewer forcemain installation to support the sewer pumping station 4105 and 4107 service areas located along Cate Road within the North Mainland Service District of Brunswick, Glynn County, Georgia.

II. Scope of Work

JWSC requests qualified individuals and firms with experience in sewer forcemain installation. Firms should have the qualification to provide the requested services that will include materials, labor, equipment and superintendent in accordance with the Technical Specifications and Contract documents. The contractor's responsibility includes; but is not limited to construction sequencing in accordance with the Contract Documents, quality control of workmanship and materials, handling of all materials, handling and disposal of all waster and compliance with regulatory standards governing the work for the completed construction of PS 4105-4107 Forcemain – JWSC Project No. 2001 in Brunswick, Glynn County, Georgia, 31525. A detailed project area and scope of work is contained in Site Construction Plans – Exhibit A and Technical Specifications – Exhibit B.

The PS4105 Forcemain segment is from PS4105 at 110 Winstead Drive to SSMH#40360490 near the intersection of Crispin Boulevard and Eagles Pointe Drive. The PS4107 Forcemain segment is from PS4107 at 1430 Cate Road to SSMH#41050240 near the intersection of Cate Road and Perry Lane Road.

The approximate pipe length and sizes, along with other associated work are listed below:

- 1) Approximately 1,200 Linear Feet (LF) of 12-inch and 1,200 LF of 18-inch forcemain via the trenchless method, stub-out to future connection to PS4105, and all necessary appurtenances.
- 2) Approximately 4,000 Linear Feet (LF) of 12-inch forcemain via open cut construction, stub-out to future connection of PS4105 and all necessary appurtenances.
- 3) Approximately 450 Linear Feet (LF) of 12-inch forcemain via trenchless method, stub-out for future connection of PS4107, and all necessary appurtenances.
- 4) All associated mobilization/demobilization, demolition, tree removal, proper disposal of drilling mud and other fluids and materials, required staging and work areas, removal, disposal, and replacement of unsuitable soils, dewatering, temporary sewer bypassing, all joint materials, fittings, gaskets, adapters, and coatings, all testing, soil erosion, and sedimentation control, maintenance of traffic (vehicular, pedestrian, and bicycle), complete project area restoration, adherence to all permit requirements including sampling and monitoring, project photographs and videos, as-builts, and record documents, and all other

work and appurtenances shown on the Construction Drawings and indicated or implied in the Contract Documents and Specifications, or required for the forcemain, gravity sewer, and watermain systems complete and ready for use.

- 5) The Contractor shall furnish all labor, equipment, tools, services, and incidentals to complete all Work required by these Specifications and as shown on the Construction Drawings.
- 6) The Contractor shall perform the Work complete, in place, and ready for continuous service, and shall include repairs, testing, permits, cleanup, replacements, and restoration required as a result of disturbances and damages caused during this construction.
- 7) All materials, equipment, skills, tools and labor which is reasonably and properly inferable and necessary for the proper completion of the Work in a substantial manner and in compliance with the requirements stated or implied by these Specification or Drawings shall be furnished and installed by the Contractor without additional compensation, whether specifically indicated in the Contract Documents or not.
- 8) Diversion Bypass pumping is required at all sites listed above. See technical specification, Exhibit B, for further details and requirements.
- 9) The Contractor shall comply with all Municipal, County, State, Federal, and other codes which are applicable to this Project

All labor, materials and equipment required to complete the required repairs, documentation, acceptance tests, visual inspection or vacuum test and warranty in accordance with established standards using approved products as detailed in the Technical Specifications included as Exhibit B. Pricing should be all inclusive with coordination and responsibility of all activities related to permitting, traffic control, flagging bypass pumping, jetter truck, OSHA confined space entry compliance, and debris removal included.

The timeframe to complete this scope of work (including final reports) and final completion is estimated not to exceed three hundred and thirty (330) calendar days. Bidders are advised to consider this aspect thoroughly as they plan and evaluate the multiple elements that will be involved to execute this project within the desired timeframe.

IV. Instructions to Bidders

These instructions are to be followed by every entity bidding to provide the Brunswick-Glynn Joint Water and Sewer Commission (JWSC) with goods and/or services. These instructions constitute an integral part of the Bid, and any Bidder agrees that tender of a Bid constitutes

acknowledgement and acceptance of its obligation to adhere to these instructions, which are to be incorporated into and considered part of any contract the Bidder ultimately executes with the JWSC.

1. If there is any question whatsoever regarding any portion of the specifications, it shall be the Bidder's responsibility to seek clarification immediately from the JWSC, as early as possible prior to the bid opening. Regarding requests for interpretations of specifications must be made in writing via email to the Purchasing Division no later than 5:00 p.m. EST on Tuesday, February 13, 2024. Please direct all questions to the Pamela Drury-Crosby, Purchasing Director at pcrosby@bgjwsc.org. No oral communications from the Owner Contact or other individual is binding. No contact with the JWSC staff, Commission members or any public official concerning the project during the procurement process is allowed, except through the owner contact. A violation of this provision may result in disqualification of Bidder.
2. Unless it is otherwise stated in the bid documents, it shall be the responsibility of the bidder to inform itself as to all conditions of the work site and to make and take account thereof in calculating and submitting its bid. Documents may be made available by the JWSC during the bidding process; no warranty of accuracy is made in regard to these documents, and it is the responsibility of the bidder to make its own investigations as to the nature of the work and the conditions under which it shall be performed, and to make its own independent assumptions as to these matters. The burden of anticipating unforeseen circumstances, either hidden or latent, and the conditions of the work site and all related circumstances, and the cost of accommodating therefore should unanticipated circumstances be later encountered shall rest upon the bidder.
3. The pre-bid teleconference will be held on Thursday, February 8, 2024, at 9:00 a.m. EST. Attendance is ***mandatory***. The purpose of this meeting is to present and clarify information about the Project and process and respond to any immediate questions that Bidders may have about this IFB. A list of persons in attendance will be recorded and posted on the Owner's website. To facilitate roll call, please pre-register via email to the Purchasing Director, Pam Crosby at pcrosby@bgjwsc.org no later than
4. Information submitted by the Bidder in the bid process shall be subject to disclosure after bid award in accordance with the Georgia Open Records Act. Proprietary information must be identified and be accompanied by a signed affidavit outlining the redacted information. Entire bids may not be deemed proprietary. All updates to solicitation documents and any addenda will be posted on the JWSC website: <http://www.bgjwsc.org/departments/procurement/>.
5. It is the responsibility of all bidders to monitor this site for updates and addenda that may be added during the procurement process.
6. Bids must be made on the enclosed Bid Form. Unless otherwise requested, one (1) electronic, one (1) hard-copy original and (1) electronic USB copy of the Bid form package need to be submitted, and these copies must be typewritten or printed in ink. All copies of any Bid Forms must be signed in ink by the person or persons authorized to sign the Bid Form. The person signing the Bid Form must initial any changes or corrections.

7. The name of the person, firm, or corporation making the Bid must be printed in ink, along with the Bidder's signature, on all separate sheets of the Bid Form. If a Bid is made by an individual, his name and post office address must be shown. If made by a firm, or partnership, the name and the post office address of each member of the firm or partnership must be shown. If made by a Corporation, the person or persons signing the Bid must show the name of the State under the laws of which the Corporation is chartered and his, or their authority for signing same. The names, titles and addresses of the President, Secretary and the Treasurer and the corporate authority for doing business in this state shall be listed and returned with the Bid Form.
8. All Bids must be hand delivered, delivered by courier service, or mailed via the United States Postal Service. No facsimiles will be accepted. The person, firm, or corporation making the Bid shall submit it in a sealed envelope on or before the date and time specified in the Bid package. The envelope shall be marked "Sealed Bid" and carry the Bid title, and date and time of opening as set forth in the Bid package. The envelope shall also bear the name of the party making the Bid and the party's address. Address Bids to Brunswick-Glynn County Joint Water and Sewer Commission, 1703 Gloucester Street, Brunswick, GA 31520 ATTN: Purchasing Division.
9. Alterations to the documents are strictly prohibited and shall result in automatic disqualification of the Bidder's bid. If there are "exceptions" to the specifications or comments to any of the solicitation requirements or other language, then the bidder may ask questions regarding those requirements or submit additional documentation as to the variation from the specifications, but may not alter any of the language contained in the solicitation. In the case of goods, the person, firm or corporation making the Bid may Bid all items. All items may be considered separately, at the discretion of the JWSC.
10. Bidders for construction contracts where the laws of Georgia or the United States of America require a license in order to perform such construction must list the license number and class on the face of the bid envelope and must enclose copies of any required license with the bid.
11. When public work is let out for bid, no person shall prevent or attempt to prevent competition in such bid. Such bidders must make an oath filed with the officer who makes payments under the contract that they have not prevented or attempted to prevent competition in the bid process. Such oath must be signed by: if a partnership, all partners and any officer or agent or other person who acted on the partnership's behalf during the bid process; if a corporation, all officers, agents, or other persons who acted for the corporation in the bid process.
12. Bids shall not be withdrawn or cancelled by the bidder pas the bid opening date and time. The bidder may make modifications/corrections to the bid by submitting a corrected sealed bid but only if the change is prior to the bid opening. The corrected document should be clearly marked that it supersedes the bid opening originally submitted. No modification or corrections will be allowed subsequent to the bid opening.

13. Bidders are hereby notified and agree by submission of a Bid Form that if additional items not listed in the Bid Form become necessary and require unit prices not established by the Bid Form, the unit prices of such items shall be negotiated and shall be directly proportional to the established unit prices of similar items on the Bid Form.
14. By tendering a bid, a Bidder agrees to leave the bid open for acceptance by the JWSC for (60) days after the date set for the opening thereof.
15. By tendering a bid, the bidder certifies that the bidder has carefully examined these instructions and the terms and specifications applicable to and made a part of the bid. The Bidder further certifies that the prices shown in any schedule of items on which the Bidder is proposing are in accordance with the conditions, terms and specifications of the bid and that they are aware that any exception taken thereto may disqualify the bid. Bidders are required to inform themselves fully as to the availability of materials and the conditions relating to construction and labor under which any work will be or is now being performed. No error or misjudgment nor any lack of information on local conditions, general laws or regulations on the part of the Bidder shall merit withdrawal of the bid.
16. The time slated for completion of this work is stated in the Bid Form. Failure to complete the work within this period shall result in payment to the JWSC of liquidated damages in an amount provided for by contract for each calendar day in excess of the contract time.
17. While price is the prime criteria, and the JWSC intends to purchase at the lowest responsible bid available, price shall not be the sole criteria utilized by the JWSC in evaluating the bid package submitted. The following criteria shall also be utilized by the JWSC in determining the lowest responsible bid.
 - a. Ability of Bidder to perform in the time frame needed by the JWSC.
 - b. Reputation of the Bidder in its industry.
 - c. Reasonableness of the bid in relation to anticipated costs
18. The Bidder must employ such methods and means in carrying out the work as will not cause any interruption of or interference with any other Contractor.
19. The successful Bidder must comply with the applicable Risk Management Requirements prior to beginning performance, and during the contract period.
20. The Contract between the JWSC and the Contractor shall be executed on a form provided by JWSC and will be subject to all requirements of the contract documents (which include but may not be limited to the Contract, these instructions, any Purchase Orders, and the Risk Management Requirements), and shall form a binding contract between the contracting parties.
21. Failure to execute the Contract, any required Surety Performance and Payment Bonds, or to furnish any required satisfactory proof of carriage of required insurance within thirty (30) days from the date of notice of award of the Contract shall be just cause for the annulment of the award and for forfeiture of the bid guaranty to the JWSC, not as a penalty, but in

liquidation of damages sustained. At the discretion of the JWSC, the award may then be made to the next lowest responsible vendor, or the work may be readvertised or constructed by the JWSC.

22. Any Contract and Contract Bonds shall be executed in duplicate.
23. Award of this bid shall be by action of the JWSC Board at its regular monthly meeting.
24. The JWSC reserves the right, with or without notice or cause, to accept any bid regardless of the amount thereof; to reject any bid, or any number of bids; to negotiate with any Bidder for a reduction of or alterations in its bid; to reject all bids and to call for additional bids upon the same or different invitations to bid, plans or specifications; to be sole judge, in its discretion, on all questions as to whether or not a bid complies with the invitation to Bid, the plans or the specifications, and as to the solvency and sufficiency of any and all sureties on all bonds.

V. Required Bid Submittals

One (1) original hard-copy and One (1) electronic (USB or CD) copy of your response must be submitted no later than **12:00 Noon on Tuesday, February 27, 2024**. The following items are required to be included as part of the bid submittal. Failure to include any of these items may result in the bid being deemed non-responsive:

- a. Bid Form
- b. Bid Bond
- c. Bidder Qualification Information, including References. Failure to provide satisfactory references will result in the bid being deemed non-responsive. Please include (2) similar project references.
- d. Georgia Security and Immigration Compliance Act of 2006 form - Contractor Affidavit and Agreement form and Subcontractor Affidavit form (if applicable)
<https://www.verifyi9.com/state-laws/georgia-e-verify/>

JWSC cannot consider any bid which does not include completed affidavits. It is not the intent of this notice to provide detailed information or legal advice concerning the Georgia Security & Immigration Compliance Act of 2006, as amended on May 11, 2009. All Bidders intending to do business with JWSC are responsible for independently apprising themselves and complying with the requirements of that law and its effect of JWSC procurements and their participation in those procurements.

- e. Drug Free Workplace Affidavit
- f. Addenda (if any issued)

VI. Contract

After selection of the agency, a proposed contract shall be supplied and is subject to review and approval of the JWSC Attorney. Specific insurance requirements will be established and added as an attachment to the final contract. Samples of JWSC's standard contract and insurance requirements are included for reference.

Bidder Initials []

(1) Fixed Unit Price determined prior to Bid. **Cannot** be adjusted by the Bidder.

(2) Minimum Bid Price determined prior to Bid. Can be increased by the Bidder, but not decreased, by crossing out the Minimum and inserting revised price on the line above. **Cannot** be decreased by the Bidder.

(3) Maximum Bid Price determined prior to Bid. Can be decreased by the Bidder, but not increased, by crossing out the Maximum and inserting revised price on the line above. A Bid that increases the Maximum Bid Price may be found non-conforming and non-responsive. **Cannot** be increased by the Bidder.

(4) Fixed Unit Price and Total Price determined prior to Bid. Cannot be adjusted by the Bidder. The JWSC will pay the actual cost of the Bid item/Cash Allowance exclusive of profit, overhead, or administrative cost. If actual cost exceeds the Bid Item/Cash Allowance, the JWSC Executive Director must approve a Change Order for the additional costs.

(5) Provide Alternate Price to include all accessories needed to function as designed (Alternate price items may be added to the overall Project at discretion of BGJWSC)

The Bidder further agrees to accomplish all work and provide all material for the lump sum price submitted, and understands that the lump sum price is subject to adjustment by either increase or decrease, only through a properly executed change order.

The Bidder further proposes and agrees to commence work under this contract, with adequate force and equipment, on a date to be specified in a written order of the Owner and shall fully complete all work hereunder within **three hundred and thirty (330)** consecutive calendar days from and including said date.

The undersigned further agrees that, in case of failure on his part to execute the said Contract and Bonds within thirty (30) consecutive calendar days after receipt of the conformed Contract Documents, the check or bid bond accompanying this Bid and the monies payable thereto, shall be paid into the funds of the Owner as liquidated damages for such failure otherwise, the check or Bid Bond accompanying this Bid shall be returned to the undersigned.

I understand that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards. I agree to abide by all conditions of this Invitation for Bids and certify that I am authorized to sign this Bid for the Bidder.
