

Facility Construction Project Photos – June 2026

#2216S SPLOST EXIT 29 - DIV II 500K EST (IN PROGRESS – NOVEMBER 2026)

Facility Construction Project Photos – June 2026

Facility Construction Project Photos – June 2026

1. JWSC and Glynn County Leadership team are on-site for the tank raising activities.
2. Byron Bennett (JWSC Public Information Officer) observing the raising activities.
3. Drone view of the tank being hoisted into place at the top of the concrete pedestal with synchronized, hydraulic-ram actuated cables.
4. Southbound view from Southport Treatment Plant - Landmark Team is onsite working on structural welding (tank, ladders, handrails) prior to final painting activities.
5. Drone Southbound view of the project site showcasing the JWSC Logo.
6. Drone Northbound view of the project site showcasing the Glynn County Logo.
